## PRODUCT INFO

- Traditional “Smart Level” bike with renewed design.
- A wide handlebar allows more positions and a better grip
- Resistive pedal in polyethylene, with Eva Foam pedal cover for a comfortable fit even with bare feet.
- The stability of the bike is ensured by the perfect balance between the front and rear axle, the new reinforced bases, and four suction cup feet
- Wheels on the front base allow easy movement of equipment during surfacing and movement on pool deck
- 2-year limited manufacturer's warranty.

## Additional Perks

- **Four Color Choices.** White, Yellow, Lime, Blue
- **ABS™ Aqua Cycle Certification Training**

Instructors will become certified to teach Aqua Body Strong™ Aqua Cycling. Combining the knowledge and experience of our Aqua Body Strong™ Advisors, which includes fitness trainers, coaches, and competitive athletes in multiple disciplines, we have created the ultimate certification platform for water fitness bikes. Our ABS™ Teacher Training courses are safety-oriented, content-rich, and designed to ensure your instructors can teach to all fitness levels.
